Re: EconOrg Alumni Homecoming

Greetings in St. La Salle!

On November 24, 2007, the DLSU Economics Organization (EconOrg), in cooperation with the Economics Department, will be having Promenade: EconOrg's Annual Alumni Homecoming Party. The event will be held at the penthouse of Burgundy Westbay Tower, Pablo Ocampo st., Malate, Manila from 6 to 9 in the evening. The event features the first-ever EconOrg Awards recognition night, and a musical performance from top band Hitera and student band from economics department.

Promising to be a night of recognition and commemoration, Promenade aims to revive and reignite the *Ekonomista Experience* of economics students, professors and alumni alike.
